

TWIN CITIES IN MOTION

HIGH SCHOOL RUNNING SHOE PROGRAM

ABOUT TCM

Twin Cities In Motion provides event platforms for everyone to experience the love of moving whether they are a participant, volunteer, spectator or the community at large. We do so by removing barriers to participation for youth, we support pro athletes, and we partner with other nonprofits to help them advance their causes. Our mission is to ignite everyone's inner athlete, providing the best-in-class experience events for everyone regardless of ability, age, or background. Our vision is to have a community that engages each other through movement, making for a healthier society both socially and physically.

RUNNING SHOE PROGRAM

In order to support teens participating in healthy activities without worrying about financing their equipment needs, the High School Running Shoe Program provides running shoes to athletes in need, who are participating on high school cross-country or track teams. Since 2010, we have partnered with running stores in the Twin Cities – Run 'N Fun (St. Paul), Marathon Sports/Run Walk (Minneapolis), TC Running (Eden Prairie and Maple Grove) and Right Fit Running (Mounds View) to provide shoes at cost, redeemable with our free gift certificates.

The program is open to all High Schools in the 7-county metro-area (Ramsey, Hennepin, Dakota, Anoka, Washington, Carver and Scott). If you and your school are interested in participating, please fill out the attached form and submit it to our office no later November 1. Gift certificates will be redeemable until December 1. If a special need arises during the year, please contact Kelli Haapala (kelli@tcmevents.org).
