HEALTH & FITNESS EXPO

The Health & Fitness expo is located at the Saint Paul RiverCentre in downtown Saint Paul. All registered participants must attend the expo to pick up their bib number. The Health & Fitness Expo is free and open to the public and welcomes 42,000 attendees, many of whom are running the 10th largest Marathon or 5th largest 10-mile race in the United States.

ABOUT

Since 1982, Twin Cities In Motion has organized the region's premier running events, including the Medtronic Twin Cities Marathon, a Top 10 U.S. Marathon. TCM is a 501 (c) 3 nonprofit organization. We are proud to give back to our community by providing financial support to local youth as well as professional athletes. Collectively, TCM and its charity partners that fundraise at TCM events give back more than \$1 million annually to a variety of causes.
